**I**N presenting the Catalogue of our Second Annual Sale of Short-Horns to the breeders of America, we desire to request a careful perusal of the pedigrees of the Animals which compose the offering, when, we are sure, it will be agreed that the occasion is very rare, when so many richly bred animals are offered for sale from any one farm. We are enabled to make such an offering from the fact that we have been gathering into our herd at great expense for many years the best animals of the best blood lines to be obtained.

The offering comprises all the young bulls bred by us the past season, excepting two which we had the misfortune to have killed, and our crop of heifer calves excepting five, which we find it necessary to retain for our own herd. We also include seven two-year-old heifers.

Mr. Norman Wilson, our neighbor Short-Horn Breeder, will include in the sale eight young bulls and one cow, making a total of fifty-two animals—one of the best opportunities ever offered the Short-Horn public of America to secure young bulls and heifers of the highest possible type, both in individuality and pedigree. The pedigrees appearing in the Catalogue will speak for themselves, and those who do us the honor of attending our sale will attest that the animals are in every respect the equal of the pedigrees.

None who wish to purchase need be deterred from attending our sale because of fear that high prices will prevail. Such was not the case last year, and we have no expectation that it will be the case this year.

“Pine Grove” presents a good slice of the Short-Horns of Aberdeen-shire transplanted to Canada where animals of equal breeding and quality to those in Scotland are sold for much more moderate prices.

The sale will be held in our covered steam-heated Sale Pavilion, on Wednesday, January 10th, 1906. Lunch will be served at twelve o'clock, and the selling will begin promptly at one o'clock.

Rockland is on the Canada Atlantic Section of the Grand Trunk Railway, and also on the Canadian Pacific Railway, Lochaber being the station of the latter road.

Commodore (54118) and Cumberland (46144) were of this family and their dam the great Princess Royal was a full sister to Carmine Rose, whose name appears in above pedigree.

Marquis of Zenda=26064= is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer (60138) out of Missie 123rd by William of Orange (50694)

The dam of Marquis of Zenda was also the dam of Missie 153rd, that was selected by the late Mr. Marr to represent his herd at the Intenational Sale in Chicago. She sold for the record price for a Scotch cow, \$600.00, and added to the Pine Grove Herd.

Knight of Lancaster=17101= was of the noted Lancaster family. He was sired by Scottish Archer (59893) and his dam was Lady Lancaster 6th by Gravesend (46461). The Lancaster family was one of the first to draw the attention of Ameican breeders to the merits of the Aberdeenshire Shorthorn.

William of Orange (50694) was a pillar of strength in the Upper mill Herd and his offspring both male and female have made his name spread wherever they have been taken. No sire has done more good in the latter years of the Herd's existenc. He was a Cruickshank Orange Blossom of the best kind.

The Mina family is from the same foundation as many other Scotch families. They are descended from Helen, bred by Capt. Barclay and purchased from him by Mr. Campbell when the Kinellar herd was being founded. Marr, Duthie, Campbell and Cruickshank either purchased their foundation stock from Capt. Barclay or used his blood in founding their herds. The Minas have been as great money makers as have the members of any family of Shorthorns. They are thick fleshed as well as being good milkers.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie, he was of the Averne Family, that produced Field Marshall (47870) and Athabasca (47359)

The Lancaster family was brought prominently before the American Shorthorn breeders many years ago by the great show-yard and breeding career of Baron Booth of Lancaster. They have been highly prized in America and in Scotland for many years and they show no signs of deterioration up to the present time. They are a branch of the Lavender family.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Duthie, he was of the Avere Family, that produced Field Marshall (47870) and Athabasca. (47359)

The Rosebud family is one of the standard Kinellar families. They were highly prized by Mr. Campbell, and no family shows a greater array of good sires than does this one as bed in above instance. A Rosebud won for Mr. Campbell the first at the Highland Show for the best yearling heifer, and of late years Mr. George Harrison has won many of the highest honors at both the Royal of England and the Highland of Scotland with cows of this breeding.

Marquis of Zenda=26064=(Imp.) is the great Missie bull at the head of the Pine Grove Herd. The Cruickshank Duchess of Gloster family is perhaps one of the best known families amongst the Cruickshank Shorthorns, throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871, and she has been the foundation of a great number of horns that for milking and feeding qualities combined can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific and it is safe to say that none has done more good to the breed and their owners.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie, he was of the Averne Family, that produced Field Marshall (47870) and Athabasca (47359)

Village Champion's dam was by the great sire of breeding cows, Master of the Ceremonies (56162)

Bonnie Lad=25927=was sired by Blue Ribbon (63706) and his dam was Ballad Girl by Sittyton Stamp (66368). Blue Ribbon was without doubt as well bred as any bull that ever came from the Kinellar herd. He was from the famed Rosebud family and he has seven of the best sires that were ever used in that noted herd, following each other in his pedigree. Ballad Girl was of the Campbell Bessie family and her imported g. dam was the choice heifer in one of Luther Adams' best importations.

The Kilblean Beautys are a favorite family throughout the Shorthorn world. They have made the herd of Mr. Manson a famous one by producing many of the winning Shorthorns in our recent shows. No family produces more uniformly good cattle.

Marquis of Zenda=26064= is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer (0138) out of Missie 123rd by William of Orange (50694)

The dam of Marquis of Zenda was also the dam of Missie 153rd, that was selected by the late Mr. Marr to represent his herd at the Intenational Sale in Chicago. She sold for the record price for a Scotch cow, \$6000.00, and added to the Pine Grove Herd.

Merry Mason (67486) was a Marr Maude. His sire was William of Orange (50694) his dam was Maude 31st by Elocutionist (47832) and his g. dam was Maude 17th by Master Tom (40332)

Touchstone (60073) was a beautiful bred Secret, sired by Gondolier (52596), his dam was Sunflower by Roan Gauntlet (35284) and his g. dam was Sybella by Pride of the Isles (35072). Touchstone has been one of the most valuable sires used in the North in many years. He was the sire of Corner Stone, that won the first prize and Champion over all at the Highland Show and for which 1500 Pounds Sterling was refused. Cornelius a full brother is also a wonderful sire.

The Lancaster family was brought prominently before the American Shorthorn breeders many years ago by the great show-yard and breeding career of Baron Booth of Lancaster. They have been highly prized in America and in Scotland for many years and they show no signs of deterioration up to the present time. They are a branch of the Lavender family.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie, he was of the Averno Family, that produced Field Marshall (47870) and Athabasca (47359)

Village Champion's dam was by the great sire of breeding cows, Master of the Ceremonies (56162)

Gravesend (46461) was one of Mr. Cruickshank's famous Golden family. He was used in the Kinellar herd with great success and afterwards bought by Mr. Duthie and used for many years. He has been the sire of a greater number of animals imported to Canada than any other Shorthorn bull used in Aberdeenshire. He was sired by the Victoria bull Roayl Victor (43972), his dam was Gentian by Barmpton (37763) and his g. dam was golden Lady by Champion of England (17526)

The Missie Family, on account of having produced more high-class Shorthorns during the past twenty years than any other is conceded by all to be the most valuable family in existence. The family was practically built up by the Messrs. Marr, Senior and Junior: they having purchased the cow Countess by Pacha (7612) from Capt. Barclay about the year 1850. Eighteen members of tse family, old and young, sold at the dispersion of the Uppermill herd for an average of \$830.00 each.

Marquis of Zenda=26064=(Imp.) is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand ol Brawith Bud bull Wanderer (60138), his dam was Missie 123rd by William of Orange (50694), she was also the dam of Missie 153rd that was selected by Mr. Marr as his best Missie to represent the Herd at International Sale in Chicago, when she made the record price fo a Scotch cow and was bought for the Pine Grove Herd at \$6000.00.

Capt. Inglewood (74177) was purchased and used by Mr. Duthie. He was sired by Captain of the Guard (58596), his dam was Inglewood Posy by British Beau (58560), g. dam Inglewood Flower by Royal Baron (50354)

Scottish Archer (59893) was bred by Mr. Cruickshank, sold by him to Mr. Willis and afterwards purchased by Mr. Duthie for use in his herd. He proved a wonderful sire. His sire was Cufberland (46144), his dam was Surname by Pride of the Isles (35072) and his g. dam was Surmise by Champion of England (17526)

The Rosebud family is one of the standard Kinellar families. They were highly prized by Mr. Campbell, and no family shows a greater array of good sires than does this one as bred in above instance. A Rosebud won for Mr. Campbell the first at the Highland Show for the best yearling heifer, and of late years Mr. George Harrison has won many of the highest honors at both the Royal of England and the Highland of Scotland with cows of this breeding.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. This latter cow was selected by the late Mr. Marr as the best Missie in his herd, to represent the herd at the International Sale in Chicago. She sold for a record price for a Scotch cow \$6000.00, and was added to the Pine Grove Herd where she has distinguished herself as a breeder of winners. She and her daughter Missie of Pine Grove and her son Missie Champion won the first in Toronto for the best cow and two of her progeny in 1903.

Royal James (54972) was a good sire in the Kinellar herd. His sire was Cumberland (461443, his dam was Juliet by Barmpton Prince (32995) and his g. dam was Joyful by Master of Arts (26867)

Gravesend (46461) was one of Mr. Cruickshank's famous Golden family. He was used in the Kinellar herd with great success and afterwards bought by Mr. Duthie and used for many years. The Brawith Bud family is another of the Cruickshank families that is well known in America. They have produced many of our best show-yard Shorthorns and they have produced many of the best sires and dams that have been given the breed in Scotland. This is what makes them favorites with the breeders in the North.

Marquis of Zenda=26064= is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer (60138) out of Missie 123rd by William of Orange (50694)

Topsman (63447) was extensively used in the Waterton herd and his progeny both male and female were scarcely equalled by that of any other sire for thickness of flesh and for feeding qualities. His sire was the wonderful Gravesend (46461), his dam was Maid of Promise 6th by General Booth (54353) and his g. dam was Maid of Promise 4th by Vermont (47193)

The Mina family is from the same foundation as many other Scotch families. They are descended from Helen, bred by Capt. Barclay and purchased from him by Mr. Campbell when the Kinellar herd was being founded. Marr, Duthie, Campbell and Cruickshank either purchased their foundation stock from Capt. Barclay or used his blood in founding their herds. The Minas have been as great money makers as have the mbmeers of any family of Shorthorns. They are thick fleshed as well as being good milkers.

The Secret Family has long been highly esteemed by lovers of the Cruickshank Shorthorns. They were good milkers and favorite cattle with Mr. Bates and they have retained their milking propensities while they have held their own in competitions where form was the greatest consideration as well. No Cruickshank family has been more prolific and none has a wider circle of admirers, in all countries where Shorthorns have gone.

Marquis Heir=34311=, a son of our noted Missie stock bull Marquis of Zenda (imp.)=26064=, belongs to the favorite Kinellar Rosebud Family. His dam, Canadian Rosebud=29677=, was got by the Cruickshank Clipper show bull Knight of St. John (imp.)=17102=, grand dam Rose Bloom (imp.)=21209=, by Royal James (54972) (see notes to sires).

Proud Duke=14483= was sired by the Cruickshank Secret bull Sussex (56625) one of the most successful bulls used in Mr. Dryden's herd, his dam was the Campbell Isabella or Mina cow Isabella 4th, by Pride of Ontario=2216= and he was from Imported Cowslip by Royal Buck (32363)

Lanchester (46594) was a beautifully bred Lavender, being by Roan Gauntlet (35284) and his dam was Lavender 17th by Royal Duke of Gloster (29864)

\* Barmpton (37763) was one of the favorite bulls used in the early eighties at Sittyton. He was of the family of the same name as himself and many of the best from that great herd have his name in their pedigrees. His sire was also Royal Duke of Gloster (29864) and his dam was Barmpton's Flower by Allan (21172)

The Sittyton Clipper family has long been one of the best at Sittyton. Mr. Cruickshank selected his sires from them whenever it was possible to do so. Comodore (64118) and Cumberland (46144) were of this family and they were amongst the most successful sires used in the herd during the later years of Mr. Cruickshank's breeding career.

Missie Champion=48278= is one of the stock bulls at the head of the Pine Grove Herd. He was sired by Village Champion (82538) that won distinction in the show rings throughout Canada as a show bull and sire, and his dam was the world renowned Missie 153rd. This latter cow was selected by the late Mr. Marr as the best Missie in his herd, to represent the herd at the International sale in Chicago. She sold for a record price for a Scotch cow, \$6000.00, and was added to the Pine Grove Herd, where she has distinguished herself as a breeder of winners. She with her daughter Missie of Pine Grove and her son Missie Champion won the first in Toronto for best cow and two of her progeny in 1903.

Marquis of Zenda=26064= is the great Missie bull at the head of the Pine Grove Herd. He was sired by the grand old Brawith Bud bull Wanderer (60138) and his dam was Missie 123rd by William of Orange (50694).

The Secret Family has long been highly esteemed by lovers of the the hands of Mr. Bates. and they have retained their milking propensities while they have held their own in competitions where form was the greatest consideration as well. No Cruickshank family has been more prolific, and none has had a wider circle of admirers in all countries where Shorthorns have gone.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie, he was of the Averne Family, that produced Field Marshall (47870) and Athabasca (47359)

Jemidar (70671) was a Bruce Rosewood, sired by Waverley (68072) his dam being Rosewood 51st by Cap-a-Pie (58591). Waverley was the sire of Silver Plate (75633) and Rosewood 51st was the G. Dam of Silver Plate, so that Jemidar was closely related to that great sire.

The Cruickshank Duchess of Gloster family is perhaps one of the best known families amongst the Cruickshank Shorthorns throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871, and she has been the foundation of a great number of Shorthorns that for milking and feeding qualities combined can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific, and it is safe to say that none have done more good to the breed and their owners.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie, he was of the Aevrne Family, that produced Field Marshall (47870) and Athabasca (47359)

Village Champion's dam was Village Maid 17th by Master of the Ceremonies (56162) that sired one of the best lots of breeding cows that has been produced in Scotland for many years. Lady in Waiting was one of his get and she has proved her breeding qualities in America by furnishing such a noted son as Ceremonious Archer and others only second to him.

Bonnie Lad=25927=was sired by Blue Ribbon (63706) and his dam was Ballad Girl by Sittyton Stamp (66368). Blue Ribbon was without doubt as well bred as any bull that ever came from the Kinella rherd. He was from the famed Rosebud family. Ballad Girl was bred from the Campbell Bessie Family.

Silver Plate (75633), who was bred by J. Bruce, purchased from him by Wm. Duthie, and from him by Deane-Willis, belongs to the Inverquhomery Rosewood family. He won first at Newport in a strong class, and is one of the most successful sires in Great Britain to-day, as the winnings of his produce at the principal shows will testify, not only in Britain, but on this Continent, as the champion heifer of the United States is his daughter, and his son, Scottish Beau, sold at Hamilton last year for \$1,200. He was got by Waverley (68072) (who, after winning at the Highland Society's Show at Aberdeen in 1894, was purchased to head the Inverquhomery herd, not only for his great merit, but because of his excellent breeding, for he was by M. Bruce's Bendigo, who was a son of Clear-the-Way (47604), out of Augusta 8th. The Augustus family has furnished more Smithfield winners than any other). Silver Plate was also used in the herd of his Majesty the King at Windsor.

The Brawith Bud Family is another of the Cruickshank families that is well known in America. When Mr. Jamieson laid the foundation of his herd he selected Golden Morn by Lord Lansdowne (29128) to represent this tribe, and perhaps no man was allowed greater liberty in making his selections than was Mr. Jamieson when buying from Mr. Cruickshank, for they were intimate friends.

The Brawith Bud family has produced many of our best show-yard Shorthorns and they have produced for Mr. Duthie many of the best Cruickshank sires and dams that have been produced in that noted herd.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie, he was of the Averne Family, that produced Field Marshall (47870) and Athabasca (47539)

The Brawith Bud Family is another of the Cruickshank families that is well known in America. The Mina family is from the same foundation as many other Scotch families. They are descended from Helen, bred by Capt. Barclay and purchased from him by Mr. Campbell when the Kinellar herd was being founded. Marr, Duthie, Campbell and Cruickshank either purchased their foundation stock from Capt. Barclay or used his blood in founding their herds. The Minas have been as great money makers as have the members of any family of Shorthorns. They are thick fleshed as well as being good milkers.

Village Champion (82538) is one of the chief stock bulls in the Pine Grove Herd. His sire Scottish Champion (75598) was used successfully by Mr. Duthie. He was one of the Averno Family, that produced Field Marshall (47870) and Athabasca (47359)

Village Champion's dam was by the great sire of breeding cows, Master of the Ceremonies (56162)

Safeguard=23251=was sired by Imported Knight of St. John =17102=, dam Imported Sittyton Verona by Collingwood (57074) and his g. dam was Verona by Pride of the Isles (35072).

Royal Gloster=19998=was sired by the renowned Indian Chief (57485), his dam was Imported 34th Duchess of Gloster by Dunblane (47792) and his g. dam was 21st Duchess of Gloster by Barmpton Prince (42995).

The Rosewood family has been in the hands of Mr. Bruce since the family was first noticed as a good one. Topsman (57790) was extensively used in the Waterton Herd, and his progeny, both male and female, were scarcely equalled by that of any other sire for thickness of flesh and for feeding qualities. His sire was the wonderful Gravesend (46461), his dam was Maid of Promise 6th by General Booth (54353) and his g. dam was Maid of Promise 4th by Vermont (47193)
